

**Mt. Hood National Forest
Wild and Scenic Rivers**

Instructions and disclaimers associated with the use of a web-based mapping application for submission of comments.

The comment submission map will allow you to point to a location on the map and add a spatially relevant comment and if desired, attach a photo.

1. Comments received and photos, including names and addresses of those who comment, will be considered part of the public record on this action and will be available for public inspection.
2. Your use of this website is entirely voluntary, and without penalty, on your part. We encourage you to use the website as a relatively easy means to voice your thoughts to the Forest on Wild and Scenic River issues that are important to you.
3. If you include personal information, it will be visible to others that visit this website.
4. Other means are available to submit comments including sending an email to comments-pacificnorthwest-mthood@fs.fed.us.
5. The National Forest reserves the right to remove any offensive, obscene or language otherwise deemed inappropriate for the website content, including advertising, political statements, or religious messages. Please note that this site has been developed for purposes of enhancing collaboration and public involvement. We welcome your comments and suggestions, however, any inappropriate content will result in the removal of ALL of your content.
6. Use of this website is not subject to provisions of the Paperwork Reduction Act governing the collection of public information.

If you understand the purpose and limitations of the use of this mapping application, please proceed. By proceeding you agree to the terms of use of this website.

After opening this [ArcGIS mapping application](#), click Edit at the top left. Click on the red circle under Add Features. Zoom in and pan to the location of interest. Click on the location you want to comment about. Insert a comment and if desired, your contact information. To attach a photo, click Choose File. Comments are limited to 250 characters per point. If your comments are more detailed or are not spatially oriented, it might be better to submit an email to comments-pacificnorthwest-mthood@fs.fed.us.
